

Significant Case

Date: July 27, 2012

Title: F&S Marine LLC v. Indemnity Insurance Company of NA, et al., CV 2009-900715

Facts: This insurance benefit case involved a significant loss claim for F&S Marine LLC (F&S) at a shipyard job site in South Carolina. F&S submitted the claim for the loss and it was denied because the insurance company claimed F&S was not covered for the loss. Mark Wolfe of BF&W was retained by F&S to investigate and prosecute this matter. Pre-litigation attempts at resolution were not successful and a lawsuit was filed. Shortly after filing the lawsuit, a confidential settlement was reached in the matter.

Case Type: Wrongful Denial of Insurance Benefits
